WCRE Property Management Joins VA Ribbon Cutting for New Toms River Location

December 3, 2024 - Toms River, NJ - WCRE Property Management proudly attended the ribbon-cutting ceremony for the VA's newest facility in Toms River on November 18th, celebrating a significant milestone for veterans in the Ocean County region. The state-of-the-art, 68,000-square-foot facility, twice the size of its predecessor, stands as a testament to the State's commitment to improving healthcare access and support for those who have served our nation.

Key features of the new clinic include the addition of a dedicated women's health center, specialized clinics, and telehealth services, which will streamline access to care for veterans, who often face barriers to healthcare. The facility reaffirms the VA's mission to provide much-needed resources for the 1,164 veterans in New Jersey struggling with housing and access to comprehensive mental and physical healthcare.

The event drew notable speakers, including Senator-elect Andy Kim, who reflected on his family's history and the pivotal role American soldiers played in shaping their path to America. Sharing heartfelt anecdotes about his Korean parents' gratitude for the kindness of U.S. troops, Kim underscored his unwavering support for veterans.

Senator Cory Booker highlighted the broader impact of the occasion, stating, "Today is a testimony of patriotism." He emphasized the VA's ongoing efforts to not only provide critical healthcare but also address housing insecurity for veterans by working with social services and

investing in essential housing aid. "This facility represents our gratitude and responsibility to those who served and protected our freedoms," he concluded.

WCRE Property Management was honored to support the ribbon-cutting alongside FD Stonewater, the developers; Smith Group, the architects; Harvey Cleary, the general contractors and The Molasky Group, the landlord. As the sole property managers for the new VA location, appointed by The Molasky Group, WCRE Property Management is committed to ensuring the seamless operation of the building, providing responsive service to support the medical staff and veterans.

"Our team takes immense pride in serving clients, especially government entities like the VA," said Grace Vera, Director of WCRE Property Management. "We are dedicated to ensuring this state-of-the-art facility remains a welcoming and supportive environment for all who enter. We are deeply grateful for the sacrifices of the men and women who have served our country, and it is an honor for us to give back in any way we can."

ABOUT WCRE PROPERTY MANAGEMENT

WCRE Property Management is the leading Commercial Property Management specialist in South Jersey and Philadelphia. Our dedicated team offers comprehensive services for various commercial spaces, including office, retail, medical, industrial, and land investments.
